Product Description

Expandable & Large Capacity

This large travel backpack with an expandable design gives you a greater capacity of up to 40L. Unzipping to get larger storage space, you can easily fit 3-7days travel gears. The carry on backpack meets the maximum size allowed by IATA flights, can be fitted overhead and under-seat, is ideal for a weekend trip, business trip. The TSA 180 degree zipper closure helps you go through the security check quickly

Convenient Design:

This carry on travel backpack is designed with hideaway padded shoulder straps which can be hidden away in the zippered back panel when not using. Two padded handles on the top and the side are designed to lift the backpack from multiple

Our Product

angles, provide you more flexible carrying experience such as carrying like a suitcase or a backpack. A luggage strap on the back is designed to fit on the luggage's handle, for easier carry on international travel

Easy to Organize

The luggage backpack's main compartment with separate mesh pocket and roomy space to store different travel gears, internal compression elastic straps can well secure items. The front compartment with various pockets can be used to store notebooks, pens, earphones, and other small items, for quick pick out. An anti-theft back pocket is suitable for valuables. The travel backpack is large enough for vacation, weekend getaway, overnight trip

Reduce Pressure Feature

The backpack equipped with adjustable chest straps, 4 exterior side compression buckles, air-mesh ventilated back panel, can effectively relieve the pressure on the shoulder and neck, also reduced stress on the zippers. Thickened sponge handles and shoulder straps provide you with more comfort when you are carrying and gripping the bag. Great valentine's gift for him or her, gift for dad
